

DO NOT MESS WITH OUR "DO NOT CALL" LAWS! Since we signed up, we receive virtually no solicitation calls. No business needs the right to harass me at home. I would NEVER use a business or service because they cold-called me. My husband and I own a small business. If we can't make it on our reputation and quality of service, then we don't deserve to be in business. As they say, IT IT AIN'T BROKEN, DON'T FIX IT!
